MEETINGS & PLACES

In normal times we meet on the third Monday of each month at Upwey memorial Hall.

As you know we cannot hold they

As you know we cannot hold these meetings during the current crisis but there are other options for those of you who are able to access on-line activities.

PARKINSON'S DANCE

Parkinson's Dance is an activity that helps people with Parkinson's to stay mobile. Normally held at the Corn Exchange in Dorchester, Parkinson's Dance classes are available as zoom sessions, to those who previously attended in person, for £2 a session. If you wish to join in, contact Samantha at:-

samanthagillingham@msn.com

Alternatively you can follow the links below for free youtube sessions https://www.pdsw.org.uk/online-content/online-class-parkinsons-dance/

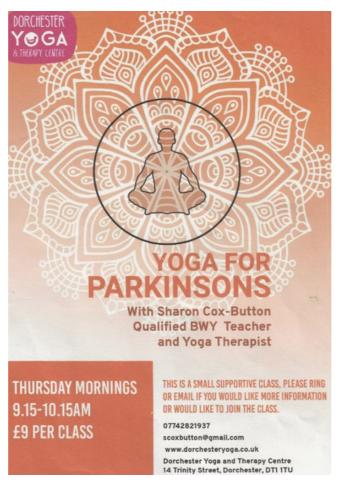

https://danceforparkinsons.org/resources/dance-at-home

https://www.ballet.org.uk/onscreen/balletclass-limited-mobility/

https://www.youtube.com/playlist? list=PLwJQNhoixSYNu61r5PPXR0qgFyzkg91 mm

ARMCHAIR YOGA

These sessions are now available via Zoom. To join, contact Sharon on 07742 821937 or by email at scoxbuttton@gmail.com

PARKINSON'S NEWS

Weymouth & Dorchester
Branch Newsletter
November/December 2020

THE CURRENT SITUATION

The situation with regard to our meetings remains unchanged. We continue to hold regular committee meetings, on-line via Zoom, on the second Monday of each month but face to face meetings are still banned by the continuing Coronavirus restrictions. However all is not doom and gloom. The latest news shows that we are close to getting a successful vaccine against Covid19. This could have a dramatic impact and open up the possibility of having proper meetings again in the not too distant future. In the meantime it has been suggested that for those members who have on-line facilities we could hold some Zoom meetings for simple quizzes like 'Scattergories'. We would have to rely on people honestly marking their own answers but if such meetings would interest you please respond to the email addresses in the 'Local Branch Contacts' section of this newsletter. To save money we are producing newsletters bi-monthly so I take this opportunity to wish you all a Happy Christmas and a prosperous Covidfree New Year.

ROTARY XMAS RAFFLE

With the newsletter there is a book of five raffle tickets. The raffle is run by Dorchester Casterbridge Rotary Club and they donate a percentage of the takings to Parkinson's. Therefore, the more tickets we can sell, then the better it is for Parkinson's. Also you could win £500!

Please return the stubs, filled in with your contact details, together with a cheque for the money collected to Jim Bayliss at Flat 17 Beech Court, South Walks Road, Dorchester DT1 1DX.

Make the cheque payable to 'The Rotary Club of Dorchester Casterbridge' and ensure that it reaches Jim no later than Wednesday 9th December.

UNWRAP CHRISTMAS

From Christmas cards to Jigsaws and gifts galore, if you do some Christmas shopping through Parkinson's UK you will help boost the coffers that pay for research into the causes and potential cures for Parkinson's. Just go on-line to the website shop.parkinsons.org.uk/ When you browse and buy you are supporting both British and Fair Trade manufacturing as well as people with Parkinson's.

PARKINSON'S RESEARCH

HALLUCINATION RELIEF

There is hope that a cancer antinausea drug can help alleviate the hallucinations experienced by some 75% of people with Parkinson's. Parkinson's UK is investing £1 million in a phase II clinical trial with UCL to find if the drug ondansetron is safe and effective against hallucinations. The 12 week trial will follow 216 people in some 25 NHS clinics across the UK.

INSIGHT INTO BRAIN CELL LOSS
New research using brain tissue from
the Parkinson's UK Brain Bank is
providing vital clues as to why brain
cells are lost in Parkinson's. This is
crucial to accelerating the search for
better treatments and even a cure.

OPPORTUNITIES TO HELP

There are constant opportunities to take part in research into Parkinson's and volunteers are always required to take part in surveys, trials etc. If you go to the Parkinson's UK website and enter the home page you will see a search window in the top right area of the screen. Type 'take part in research' here and you will see a range of opportunities linked to your postcode area. Have a go!
